

September 8, 2025

To Whom It May Concern:

Google is pleased to inform you that Janmenjaya Panda has successfully completed Google Summer of Code 2025, a program where accepted participants learn about open source software development by writing code for an open source project under the guidance of mentors.

Janmenjaya was accepted into the program by, and developed open source software for, SageMath, beginning June 2, 2025 and ending on September 1, 2025. Over that period, they passed their two evaluations conducted by their mentor receiving a stipend of 3000 USD for the project.

Janmenjaya worked remotely on their project and was not required to visit either Google or the offices of SageMath. Janmenjaya Panda was not directly employed by Google during Google Summer of Code 2025. The Google Summer of Code 2025 program was administered by Google from our corporate headquarters.

More information on Janmenjaya's project can be found at:

<https://summerofcode.withgoogle.com/programs/2025/projects/0BAiIfUe>.

You can learn more about the program on our website at g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com.

Best,
